

Floor trough roll (Flexible PVC)

Much more practical than the les barres rigid of 2 meters:

- No wastes : you can cut with a box cutter at the wished length
- Easy to transport and store (rolls of 1,50 meters, 3 meters or 9 meters)
- Does not crack or break and really protects the cable
- Very soft leading edge which really avoids the falls
- Double-sided adhesive strip already in place
- Removable cover : we keep an easy access to the cables

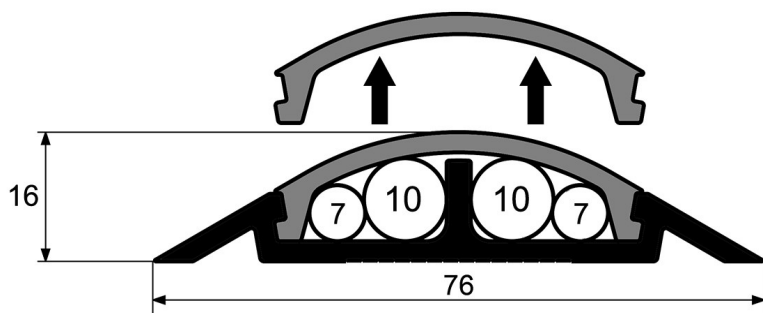

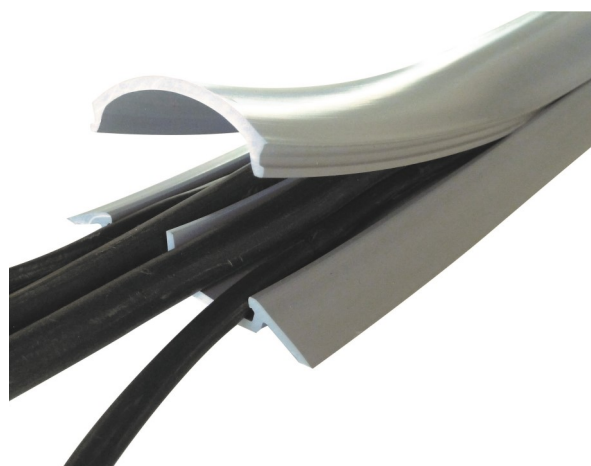

Protecting cable In flexible PVC

2 channels which can each contain 2 cables (Max Ø 10 mm and 7 mm)

Neat aesthetic

Colors : grey (special fabrication possible in other colors, depending on the quantity)

Exists in rolls of 1,50 meters, 3 meters or 9 meters

Max. capacity	Number of channels	Width	Height	Rolls of	Weight	Code
2 cables Ø 10mm + 2 cables Ø 7mm	2	76 mm	16 mm	1,50 m	0,92 kg	PCT10B150
				3 m	1,84 kg	PCT10B300
				9 m	5,52 kg	PCT10B900
